

daily report for James

on 5/7

The weekly theme is Mother's Day/Graduation

activities

Circle Time, Math

What color are you wearing? We graphed names next to each color to make a graph.

Art

We made a card for someone VERY SPECIAL!

Engineering, Pm Activity

We used toothpicks and marshmallows to make rectangles!

Science

We did an experiment called "Chromatography Butterflies". It was so neat!

Story

KISS GOOD NIGHT

Sensory

This week we will be playing "ISPY" in our sensory bin. We will have note cards to look at and find the items on the cards buried in rice!

Gross Motor/Outside Play

We played volleyball with balloons and fly swatters outside!

Pm Activity

Spanish with Miss Rosa!
