*THURSDAY: Balloon Artist visiting K2 Campus*

*FRIDAY: Pizza lunch provided by K2*

## diapers

7:30 AM - Wet

9:30 AM - Wet

## activities

### Circle Time

This week we are talking about the color red number 5 and all about the letter R.

### Language & Reading

Today we read a story about recycling!

### Math, Shapes & Colors

We love learning to count! We had to attach the corresponding number with each group of stars!

### Science/Sensory

We are making watercolor paints in science this week! Each day we are adding more colors. Next week we will get to paint with them!

Also, we are playing in our sensory bin filled with recycled items!

### Pe

Baseball: We are running bases this week!

### Arts & Crafts

We colored in a recycling symbol using tissue paper!

### Engineering/Art Design

We are working on a week long art design project using egg cartons!

### Fine Motor

We are sorting my color this week during fine motor! We enjoyed building with our blocks after sorting them by color.

### Social Studies

Superhero challenges are so much fun! I had to try to walk very carefully on a line and then use lightning speed!

### Music & Movement

America the Beautiful, Twinkle Twinkle Little Star, & Yankee Doodle
