

K2 Academy Families,

I am hopefully optimistic that we see a light at the end of the tunnel!

On Monday, Governor Abbot announced that he is allowing the stay at home order to expire this Thursday and that some businesses will be allowed to re-open for Phase 1. Unfortunately, youth sports does not fall into the Phase 1 plan, but we believe that we will fall into Phase 2. We say that based on President Trump's plan to re-open our country that Governors implement at their discretion. Youth sports and Day Camps fall under Phase 2 of Trump's plan, and we believe Governor Abbot's plan will mirror this.

So, what does this mean for K2 Academy's gymnastics, ninja and tumbling classes? If Phase 1 goes well, then Phase 2 is set to begin in Texas on May 18<sup>th</sup>. K2 has a 3-step plan for re-introducing our programs to ensure safe standards are being followed for our employees, students and parents. When working on K2's Guide to Re-open, we are taking into account the recommendations from the CDC, Governor Abbot and his team, USA Gymnastics and Child Care Licensing. Our tentative plan is outlined below. Again, these dates are not confirmed, simply estimations on what we anticipate is to come.

<b>K2 Phase I: 1<sup>st</sup> to Return</b>	<b>K2 Phase II: 2<sup>nd</sup> to Return</b>	<b>K2 Phase III: 3<sup>rd</sup> to Return</b>
<b>Date:</b> <i>estimated</i> May 18th	<b>Date:</b> <i>estimated</i> June 1	<b>Date:</b> <i>estimated</i> Aug 1

Thinking forward to our re-opening day, K2 is committed to best practices to contain the spread of COVID-19 and to keep our families safe. As our re-open date is confirmed, we will send out more information on these specific procedures.

I'd like to take a moment and say Thank You to the many families that have chosen to help K2 financially by choosing Option 1 or 2. K2 has been blessed to receive funding for the PPP loan/grant (in round 2!) from the government and your support helped us to float these past 6 weeks to stay current on bills and to pay as many employees as we could! From the bottom of my heart, Thank you.

Best wishes to you and your family and we are looking forward to having you all back in the gym again soon!

Kindest Regards,

Kay Rodgers  
President, K2 Academy & K2 Campus
