II. K2 Campus Admissions Information

a. Admissions

Our admission process includes an explanation of our program and associated costs as well as a tour of our facility. You are more than welcome to talk with our Director and teachers before making your decision to enroll your child in our program. It is our policy to consider each child’s admission and placement individually – regardless of race, religion, color, gender or national origin – and to admit each student on a four week provisional basis. At the end of four weeks your child’s teacher will evaluate his/her progress and if necessary, discuss with you any concerns.

b. Enrollment

Enrollment forms will be provided to you and must be filled out in their entirety. All listed required documents must be submitted and approved before your child can be enrolled in our program. In addition to the enrollment forms, you will receive a copy of this parent handbook. After you review it, please sign the last page and submit it with your enrollment forms.

c. Tuition, Payment & Vacation Vouchers

Tuition rates for K2 Campus are based on enrollment for 12 months. For convenience and simplicity of billing, tuition is broken down into weekly rates. Tuition is not pro-rated for weeks in which a holiday falls. Tuition is due weekly on Friday for the time period 2 weeks in advance. Clients that are more than 3 days past due may be dropped from the program.

All clients of K2 must fill out a payment plan form and enroll in the Auto Charge program.

Please see front desk or online at www.k2academy.com for current tuition rates.

Don't pay for days you are away! K2 offers year-round preschool students one week of vacation vouchers. Your "week" is equivalent to the number of days your child is registered to attend per week. For example: a child that attends M/W/F will receive 3 days of vacation vouchers. A child that attends Monday through Friday will receive 5 days of vacation vouchers. Please see front desk so your vacation vouchers can be put on your account as credit.

d. Membership and Other Applicable Fees

A \$40 membership fee per child (\$80 max per family) and a supply fee are due at time of enrollment. The supply fee is used to cover the costs of materials throughout the year. These fees are due at enrollment and are good through the end of August the following year.

**Preschool Summer Time Students Only* (June and July) will pay a one time summer supply fee of \$50.00 per child enrolled.

Preschool Part Time Students Only: If you are more than 10 minutes early dropping off, or more than 5 minutes late picking up your child, a fee of \$15 per hour will automatically be charged to your account.

If you are interested in our extended-hours programs, please see front desk for details.

Full Time Preschool Parents: Our program ends promptly at 6:30 pm. If you are late picking your child up from our program at the end of the day, a fee of \$1 per minute after 6:30pm will be automatically charged to your account.

e. Cancellation Policy

We require a two week's written notice for all cancellations. If you do not provide advanced written notice, and simply stop attending the program, you will be charged and responsible for payment of two week's tuition. When giving a two week drop notice, your child will be dropped from all enrollments for the current year (September-August).

f. Re-Enrollment Policy

If you choose to withdraw your child at any point during the year (September-August) you will be required to pay a re-enrollment fee of \$175 when you return to our program. However, while you are

away, we cannot guarantee that your child will still have a spot in K2 Campus when you are ready to return.

During our priority enrollment period (February), students who chose to drop June and July will be guaranteed a spot in August, but they are required to pay the re-enrollment fee of \$175.

g. Pre-K and PPC Enrollment Accommodations:

Occasionally we have clients request a part-time, non-traditional hours option, to accommodate their child's enrollment in a school district PPCD or Pre-K program. In these situations, K2 Campus will need proof of enrollment and the family should arrange transportation. Additionally, the following conditions apply:

i. 2yr and 3yr Rooms

1. K2 can accommodate students leaving early to attend an afternoon program at a local school district, however **we cannot allow students to be dropped off between 12pm and 2pm due to nap time.**

ii. 4yr and 5 yr Rooms

1. K2 can accommodate students leaving early to attend an afternoon program at a local school district, or arriving at noon time if they attend a morning program.

iii. Pricing

1. K2 can offer a 5% discount off the 9am-4pm or Full Time Program. Pricing for the program is based on the child's afternoon pick up time.

h. Classroom Transition Policy:

Armadillo Room → Bluebonnet: Children transfer around their second birthday to the Bluebonnet Room. Some children will transfer in their birthday month, while others may need a few more months. A child's physical and social development as well as the makeup of children in the rooms effect the decision on when it is best for a child to transition rooms.

Bluebonnet Room → Lonestar Room: Children transfer around their third birthday to the Lonestar Room. Children must be fully potty trained to transfer to Lonestar, so some children will transfer in their birthday month, while others may need a little more time. A child's physical development, social development, and the makeup of children in the rooms effect the decision on when it is best for a child to transition rooms.

Lonestar Room → Magnolia or Monarch Rooms: Children transfer around their fourth birthday to the Magnolia or Monarch Rooms. A child's physical development, social development and the makeup of children in the rooms effect the decision on when it is best for a child to transition rooms and to which room. For transfers into Magnolia and Monarch we also consider the time of year (Example: we don't move kids up in April or May as we have end of year performances scheduled or we would wait until January to move up a child with a December birthday.) Children that will bridge a year before Kindergarten and have already spent one year in either Magnolia or Monarch, will switch to the other room for their final year in K2 Campus.

III. **K2 Campus Program Information**

a. *Hours, Days, and Months Including Holidays*

Regular preschool hours are from 9:00 am to 4:00 pm Monday thru Friday. We do have extended hours available (6:30 am - 9:00 am and 4:00 pm - 6:30 pm) at an additional charge. Please see the section on Fees for information on our extended hours.

Our Preschool program runs year-round. Once you enroll in a class, you will stay enrolled in those days/week, or full time until your child exits the program and/or moves up to an older age group. If you would like to make any changes to your child's enrollment, please notify front desk immediately.

Please reference the K2 Campus Calendar for school holidays and in-service days.

During inclement weather, K2 will refer to local school districts for guidance. In the event K2 closes, you will be notified via our emergency notification text system, email and we will post on social media. For closures due to inclement weather or force majeure, refunds are not issued.

b. Transportation, Arrival and Dismissal

K2 Academy does not provide transportation to or from its facility for Preschool students. It is the parents' responsibility to arrange for transportation.

Full time students may begin to arrive at our facility at 6:30 am when our building opens. Part time students may begin to arrive at our facility at 8:50 am. Please do your best to drop your child off between 8:50 am and 9:00 am as our program begins promptly at 9:00 am. Students who arrive late will miss out on part of their fun time at K2 Campus.

Students will prepare for dismissal at 3:50 pm each day. Parents are welcome to pick up between 3:50 pm and 4:00 pm. Any student still at the facility after 4:05 pm will be assessed an extended care charge, unless you are taking advantage of our extended hours, in which case the extra time is already covered by your monthly tuition. Please see section on Fees for a list of charges.

All children must be checked in and out of tadpoles from the iPod's located at the front desk. This is the system we used to track attendance, so please remember to check in/out daily so that you do not incur a late fee.

c. Attendance and Make-Up Policy

Your child's attendance is very important to us. If you know in advance that your child will be missing any days in our program please notify your child's teacher, or front desk personnel. We do not offer make-up classes, or a refund/credit for days missed which include but are not limited to: illness, vacation, inclement weather, and force majeure.

d. Meals and Snacks

Breakfast: We provide a light breakfast each day from 7:00 am to 7:30 am. Please refer to the snack calendar posted on the parent information board outside the K2 Campus office to see what breakfast is being provided. You may pack a different breakfast for your child if you know that they will not eat the scheduled breakfast.

Lunch: Please pack your child a ready to eat lunch each day. You will need to include something to drink in a water bottle/thermos so that it can be refilled and available to them all day. Lunch should be brought to K2 in a lunch box, or bag that is clearly marked with the child's name. All food should be ready to eat as we are not able to refrigerate or heat up any food in our facility. Also, please pack utensils if something in your child's lunch requires a fork or spoon.

*K2 Campus will provide a **free pizza lunch** on Friday's to all students who attend preschool.

Snack: Preschool students have a morning snack between 9:00 am and 10:00 am each day. K2 will provide a morning snack. Please refer to the snack calendar posted on the parent information board outside the K2 Campus office to see the snacks provided. You may pack a different snack for your child if you know he/she will not eat the scheduled snack. K2 will provide another snack at 2:15 pm, and again at 4:15 pm for students enrolled in extended care.

If your child has food allergies, or is on a special diet, please inform K2 Academy by filling out the Allergy and/or Medication forms. It is vital that we are aware of all food allergies to ensure that we provide your child with the best care possible.

e. Attire

We suggest that your child wear comfortable play clothes while at K2. We will be playing outside and having gymnastics instruction in the gym, so shorts or pants with elastic waistbands and t-shirts are perfect. If your child chooses to wear a dress, we ask that they wear shorts under their dress. We ask that your child wear closed toe shoes for safety and to be comfortable playing outside in them. Please dress for the weather and remember to send your child with socks, shoes, and a jacket if it is cold outside.

Our objective is to have fun while at K2. While we do our best to keep the mess off their clothes, please note that on occasions we have messy projects.

Our Preschool teachers take time to ensure our daily activities are age appropriate for your child generally following these guidelines with lesson plans written by each Teacher of the classroom:

i. 12-24 months and 2/3 old program: Armadillo/Bluebonnet Rooms

Our 12 months to 2/3 year old program is designed to help develop and encourage your child in learning “life skills.” Such concepts include: STEAM activities, building social skills, learning to communicate needs, recognition of basic shapes, colors, numbers, gross and fine motor development, re-enforcing potty training and becoming secure and confident while away from mom and/or dad. We incorporate three popular teaching in our curriculum: Reggio-Emilio, Montessori and traditional, with a primary focus on Reggio-Emilio. These styles of teaching encourages creativity, critical thinking, and independence. Each day includes classroom time for academic activities as well as gym time for structured activities and open play time.

ii. *3/4 year old program: Lone Star Room*

Our 3/4 year old program is filled with activities that help develop your child's social, emotional, and physical needs. These needs are met through building self-esteem, communication with others, staying on task, introducing letters and sounds, STEAM activities, as well as mastering shapes and colors. We believe that children have the highest percentage rate of success when they are put in an environment that allows them to experience the excitement of mastering skills. We incorporate three popular teaching in our curriculum: Reggio-Emilio, Montessori and traditional, with a primary focus on Reggio-Emilio. These styles of teaching encourage creativity, critical thinking, and independence. Children in our 3/4 year old program are expected to be potty trained.

iii. *4/5yr old program: Monarch/Magnolia Rooms*

Our 4/5 year old program is designed to prepare your child for kindergarten. We do this through academic learning, social interaction, gross and fine motor skills, listening skills, mastering tasks, and STEAM activities. This program allows your child to develop, or find their best learning style. These learning styles include: auditory, visual, tactile, or a combination of all three which makes learning fun and an exciting experience for your child. We incorporate three popular teaching in our curriculum: Reggio-Emilio, Montessori and traditional, with a primary focus on Reggio-Emilio. These styles of teaching encourages creativity, critical thinking, and independence.

g. *Water Activities*

With advanced notice, K2 will offer occasional water days during the warmer months. These will include activities such as small wading pools, water and sponge activities, sprinkler play and/or water inflatables. You will be given notice of water days so you can proper attire and sunscreen.

h. *K2 Academy Gymnastics Classes*

As part of the K2 Campus curriculum, students receive gymnastics instruction during their school day. Days and times vary by semester.

K2 Campus students have the option to register for additional Recreational Gymnastics classes at \$45 per month and \$55 for Ninja. K2 staff can help students transition from Campus to Academy for class times that start between 2:45pm and 5:35pm. Students that attend classes outside of those hours, including makeup classes, need to be transitioned by someone over the age of 16 that can sign them in/out of preschool.

i. *Discipline*

At K2, our teachers use positive reinforcement, re-direction, behavior charts, and other means of rewarding children to encourage an environment that promotes self-control, responsibility, and respect for others. On the occasion that a consequence is required, we use time-out, the "thinking spot," and natural or logical consequences.

Our general rule is that the child be placed in time-out for the number of minutes equal to their age. For example, a 3-year-old for 3 minutes, and so forth, never to exceed 5 minutes. The child is always given an explanation as to why he/she is being disciplined. In addition to time out, other privileges may be removed depending on the individual situation. Time out is not used in the Armadillo Room. Instead, our teachers re-direct and promote more appropriate behavior.

In the event a child is crying without ceasing, we will call and notify a parent after 30 minutes. It will be left up to the parent if they would like the child to stay or to come pick them up. If the child stays and cries and additional 30 minutes, a parent will be notified to come pick them up.

In the event a child is involved in an incident while in our care, an incident report will have to be signed by the parent upon child pick. A parent signature is required to verify that you as the parent are aware of the incident. *If a child is physical (with another child, staff member or classroom equipment) 2 times in a single day, the child will be sent home for the remainder of the day.*

If a child is sent home 2 times in a month, a conference will be called with the parent and the Director so an action plan/behavior plan can be put into place. If an action plan/behavior plan is created for each child individually based on how to best meet his/her needs.

If a child on an action plan/behavior plan continues to have incidents further action from Management may be necessary.

In our experience we have discovered that if a child is in care routinely more than 10 hours a day, it can contribute to bad behavior. If your child is struggling at K2 Campus one of our first suggestions will be reducing their hours in care/away from home and providing he/she with a consistent schedule and/or routine.

K2 Campus has the right to terminate enrollment of any child immediately that poses safety concerns to themselves, students, teachers in the classroom, and/or displays behavioral patterns that prevents or disrupts others from learning

j. Electronics

***K2 Campus Preschool is a no-electronic facility.**

We understand that children may have a smart phone or watch for their safety, however, children will not be allowed to text or make phone calls from their electronic devices. If a child needs to call a parent for any reason, they need to notify their teacher and will be escorted to the front desk personnel for assistance.

k. Special Events

Throughout the year we will have special events for your child. These events may include crazy hair/sock days, pajama days, holidays, rodeo week, and graduation parties. You will be notified of any special events at least one week in advance.

*If you would like us to handout birthday invitations to your child's class please provide invitations for the entire class.

l. Fundraisers

Our preschool students participate in fundraisers throughout the year. Fundraisers are not required, but we strongly urge you to participate so we can raise funds to purchase new materials for our students and classrooms.

IV. General Procedures

a. Release of Children

Children will only be released to a parent, guardian, or any person listed on their emergency contact form. If you wish to add or delete an authorized person from your child's file, please notify the front desk *in writing* so your child's file may be updated. *All persons attempting to pick up a child will be required to show a picture id until our front desk personnel becomes familiar and confident as to their identity.*

This is for your child's safety. Please do not be upset if you, the parent, are asked to show a picture id when picking up your child. We may have new faces in the classroom that are unfamiliar with you. Thank you for your cooperation and understanding.

b. Parental Notifications

Parents will be notified in writing or by email of any policy or procedure updates or changes.

c. Annual Caregiver Training

V. Medical and Emergency Related Procedures

a. Dispensing Medication

K2 Academy is only allowed to administer medications to your child with your written permission. The medication must be in its original packaging with dosage information stated clearly. No exceptions will be made.

b. Handling Injuries and Medical Emergencies

We do our best to ensure your child's safety while at our facility; however, we cannot always guarantee that accidents will not occur. In the event of a minor injury such as a bump or scrape, we will apply ice and/or a band-aid if necessary. In the event of a major injury, we will contact you, or a person listed on the emergency contact form immediately. Your child's file contains information on your medical preferences in the event of such an occurrence. If we are unable to contact anyone we will follow directions written in your child's file as to where to transport him/her if necessary. If we are still unable to contact anyone, we will follow the recommendations of the attending physician.

In either occurrence, an incident report will be filled out by the witnessing teacher and will need to be signed by the parent at pick-up. A follow up will be made by K2 Campus Management to verify your child's recovery.

c. Illness

If your child becomes ill at our facility you will be notified immediately. If your child is running a fever of 100 or higher, he/she will not be allowed to stay at our facility due to our policies and state licensing. Vomiting and 2 diarrheas' will be treated the same. In situations that a child is sent home for the day, a parent or designated person should pick up the ill child within 1 hour.

Your child must be free from fever (without medication), vomiting, and/or diarrhea for at least 24 hours before they will be readmitted. This is a state licensing requirement. Therefore, if your child is sent home, they are not allowed to return the next day.

d. Lice

K2 has a no live lice and a no nit policy. Although some schools allow kids with nits, we follow the recommendation of the National Pediculosis Association which is that schools do not allow children with nits. Children that are sent home with lice will be checked each time upon their return. If nits are found, you will be asked to come and pick up your child within a timely manner. We understand the effort to rid your child of nits can be very time-consuming. However, for the health of other students and our staff we have this procedure in place.

If there is an outbreak of a communicable disease at our facility, you will be immediately notified in writing, or via email.

e. Immunization/Hearing/Vision Requirements

We are required to have a copy of your child's current immunization record on file at all times. Your child must be current on all immunizations in order to participate in our program. Your child's physician will be required to sign a statement of health specifying the results of your child's hearing and vision screening once age appropriate. This information is required to be on file prior to your child's start date.

f. Emergency Drills

Fire drills will be conducted and documented once a month as required by licensing.

Severe weather drills and intruder drills will be conducted and documented every three months as required by licensing.

Each room in our facility has a specified emergency evacuation plan posted.

d. Signs of Suspected Child Abuse

At K2 Campus our employees are trained annually on how to recognize and report child abuse and neglect.

Outlined below are signs of grooming, signs of abuse and how to report suspected abuse or neglect to the authorities.

Grooming

Abusers often use a subtle and gradual process known as grooming on children and their families. Grooming is a systematic process typically done over weeks, months or years to slowly gain trust and lure and manipulate a child into an abusive situation. There is no “checklist” that can be used to identify an offender. However, there are red flags that can help us recognize predatory behaviors that sometimes lead to abuse.

Grooming techniques can include the following:

- Befriending the youngster and their family to slowly gain trust.
- Giving gifts, money, trips.
- Performing special favors for youngster.
- Promoting the notion that the relationship with the boy or girl is special.
- Encouraging harmless secrets, laying the foundation for future sexual secrets.
- Taking pictures/video of the child.
- Communicating with the boy or girl excessively; texting, emailing or calling.

- Desensitizing the child through nonsexual touching, “accidental” touching of privates and/or walking in on bathroom or dressing time.
- Testing a child’s boundaries by using inappropriate language and/or telling dirty jokes.
 - Playing body contact games with children.
- Tickling, back rubs or wrestling.
- Making alcohol/drugs available to the youth.
- Introducing pornography to initiate sexual interest or normalize the behavior.
- Offering to babysit, including overnight trips or sleepovers.

It must be noted that not all behaviors above occur with an intent to abuse. Regardless, such behaviors are to be identified and stopped.

Signs of Abuse

In addition to understanding grooming, watching for signs of abuse can help distinguish a proper adult-child relationship from a predatory behavior.

Physical signs of sexual abuse are usually not observable but may include pain, injury, bleeding, discharge or disease in the private parts and/or mouth.

Behavioral and emotional signs are typically more evident and can include:

- Sudden withdrawal from close ties.
- Disinterest or sudden inability to concentrate.
- Uncharacteristically aggressive or disruptive behavior.
- Sudden change in eating habits; drastic weight loss or gain.
- Marked fear or reluctance to be at a certain place, or alone with a certain person.
- Repeated health complaints, e.g., stomach aches, headaches.
- Depression, lethargy and weepiness.
- Noticeable change in dress; may include baggy, dark clothing.

f. CPS Addendum

K2 Academy cooperates with Child Protective Services in all matters of health and safety regarding children. In the event that CPS requests an interview with your child we will not deny access to the child unless we have written notice from a parent or guardian stating not to. By denying them access to speak with your child, K2 Academy would be interfering with an ongoing investigation.

Please note, CPS does not share findings with us and we will not have any information to share with you regarding their investigation. K2 Academy will not contact the parent or guardian if an investigation does take place. CPS is responsible for contacting the parent or guardian after they have interviewed a child. We will get the investigators' name, their supervisor's name, and a method of contact at the time of the visit.
